SUMMARY

As a web-developer with expertise in React Js, Typescript, and Native JS, I specialize in creating powerful and efficient web applications with outstanding user experiences. I am also familiar with other frameworks, such as Vue Js, and am constantly learning new technologies to improve my skillset. With a passion for building complex, interactive interfaces, I am committed to delivering high-quality code and exceptional results for my clients.

EXPERIENCE

Frontend Developer

Weblancer   Kyrgyzstan, Bishkek

Created turnkey websites for CMS and landing pages from scratch.
- Created more than 10 sites for orders, for example, the site of the Harvard Lyceum in Kyrgyzstan.
